the **TSI Trust Assessment** and 3 Plug & Play **IFB Activities**
to facilitate Deep, Safe, and Daring Communication
in your ecosystem

TSI & Circle of Trust

A program and a toolbox to help organizations, teams, classes, families, couples, building trust and activating deep conversations.

Earn the **TSI Full Certification**: become a TSI Inventory Assessor and a Pillar of Trust Activities Facilitator.

Spiral of Change

A flow of activities to help any ecosystem to balance the different powers that play into the Spiral of Change: Connection, Courage, Clarification.

Get the **AGILE Workbook** for your individual and team coaching programs.

Safe Feedback

Discovering the 6 top S.E.C.R.E.T. areas of our brain that we should respect and sustain. Learning to use the P.I.E.T.A.S. model to give safe and effective feedback.

“TRUST Conversations”: small conversations that matter

During the Masterclass, you will also join (and learn how to facilitate) “TRUST Conversations”: a new format to activate groups and communities in deep reflection and sharing.

Starting from listening to inspirational leaders’ transformative and courageous stories, people will be involved in a game of question & answer cards to activate a powerful 40 minutes conversation about a hot topic related to Trust.

Leading with Courage

Discover the **IFB Active Tools** designed to help coaches and leaders to promote courageous and sustainable ecosystems within the workplace, academia, and family relationships.

Active Tools for Psychologically Safe Communication

Workplace, educational, or family environments all need people to feel safe expressing their opinions and ideas to enhance collaboration, creativity, and innovation. This masterclass is focused on gaining practical tools to strengthen psychological safety within teams, classes, and groups.

From different Partnerships and Journeys

We operate as authors, researchers, and facilitators in partnership with Six Seconds - the global network for Emotional Intelligence; Alison Lalieu - Certified Dare to Lead™ Facilitator and founder of Courageous Leadership Hub; Yvette Bethel - awarded author of the IFB Model and founder of OrgSoul; DUAL Communication Learning Center.

Active Tools and Programs

The IFB tools and programs have been designed and tested over the years separately: now, they are available in an integrated package to provide Courageous Leaders and Coaches with new activities for building Trusted and Daring Programs.

Ready to use for any ecosystem

The flexible and customizable approach of our tools allows to adapt them to any work, family, school ecosystem, ensuring effective and long-lasting results.

Leading with Courage

Dear Trusted and Courageous Leaders,

We are thrilled to invite you to a transformative 4-day masterclass in Sardinia, Italy, taking place in May. Our masterclass is centered around the theme of “Deep, Safe & Daring Communication” and is designed to help you expand your network while equipping you with tools to enhance your performance and that of your team, class, or family.

This unique opportunity will provide you with the skills and confidence necessary to have productive and meaningful conversations, and ultimately improve your ability to connect with others on a deeper level. Our masterclass includes a range of activities carefully curated to maximize your learning experience, and you can find the detailed schedule and pricing in the following pages.

We believe that investing in your personal and professional growth is crucial for success, and we are confident that this masterclass will provide you with the tools and knowledge needed to excel in both areas.

We hope you can join us for this unforgettable experience and look forward to seeing you in Sardinia!

Best regards,
Alison, Felix, Giuliano, & Yvette
